### Innovation Actions (IA):

- Includes demonstration or pilot to validate technical and economic viability of a new or improved technology, product, process, service or solution in an operational (or near to operational) environment.
- Also 'market replication' i.e. support for the first application or deployment in the market of an already demonstrated innovation
- 3 independent legal entities from different Member States or Associated Countries
- Funding rate: maximum 70% (except for non-profit legal entities where a maximum of 100% applies – check precise definition)

### Coordination and Support Actions (CSA):

- Including improving market conditions and aiding market transformation e.g. standardisation, fostering dialogue, capacity building
- 1 legal entity from different Member States or Associated Countries \*
- Funding rate: maximum 100%

\* however EU collaboration may be favoured for some topics and is required for the following topics **B4E-1, 2, 4, 7, 9, 11, 14, EC1, 2, 5**. Please see page 220 of the Work Programme for details.
